FACTUAL BACKGROUND AND CLAIM FOR RELIEF

8. Pursuant to the provisions of the Fund's plan of benefits, participants are eligible for loans from the Fund for certain specified purposes.

9. On or about May 1, 2001, Defendants applied for and were granted a loan from the Fund in accordance with provisions of the Fund's plan of benefits.

10. In connection with the loan and pursuant to the terms of the Fund's plan of benefits, Defendants executed and delivered to the Fund a Promissory Note ("Note") in the original principal amount of Twenty-Two Thousand Fifty-Four Dollars (\$22,054.00). A true and correct copy of the

Note is attached as Exhibit 1 and incorporated by reference.

11. The Note provides, in pertinent part, that Defendants agreed to pay the original principal amount plus interest at the rate of 9% in 60 monthly payments of \$457.80. All installment payments under the Note were to be paid to the Fund at its office located at 1803 Spring Garden Street, Philadelphia, PA 19130.

12. The Note provides for the assessment of a late charge equal to three percent (3%) of the amount of the installment if the monthly payment is not received by the 15th of the month.

13. Defendants have defaulted under the terms of the Note and the Fund's plan of benefits by failing to pay any monthly installment when due.

14. By letters dated January 16, 2002, February 19, 2002, March 15, 19 and 21, 2002, and April 1 and 16, 2002, ("Default Letters"), the Fund notified Defendants of the default and that, absent arrangements to cure the default, the Fund would file a collection action. A true and correct copy of the Default Letters are attached as Exhibit 2 and incorporated by reference.

15. Defendants have failed to cure the default.

16. As a result of the default, the entire unpaid principal amount of the loan, together with accrued interest thereon and late charges, has become immediately due and payable under the Note and the Fund's plan of benefits.

17. The following amounts are presently due and owing under the terms of the Note and the Fund's plan of benefits:

Principal balance	\$ 20,569.03
Interest through June 30, 2002	\$ 1,267.08

Late fees through June 30, 2002 \$ 96.11

TOTAL \$ 21,933.12

18. Defendants have failed to pay the Fund the accelerated balance due and owing under the Note and the Fund's plan of benefits.

WHEREFORE, the Fund asks that the Court:

(1) Enter judgment against Defendants and in favor of the Fund in the amount of \$21,933.12 together with interest from July 1, 2002 at the rate of 9% as set forth in the Note until paid.

(2) Enter judgment against Defendants and in favor of the Fund for all attorney's fees and costs incurred by the Fund in connection with this action, including the fees and costs to collect any judgment, in accordance with 28 U.S.C. §1132(g)(1).

(3) Grant such other or further relief, legal or equitable, as may be just, necessary or appropriate.
